ABOUT IOSD

INDIA'S LARGEST OPEN SOURCE DEVELOPMENT BASED ORGANISATION.GET STARTED

We at IOSD, believe in aggrandising the development purlieu in the country. We provide a well-resourced dais for developers to come together and create projects, -Have a tete-a-tete- on their ideas and learn in an adjuvant environment. We provide mentorship and collaborations on projects in both public and private sector. IOSD is the only student-organisation that is completely development oriented. At first, students are given interactive technical sessions by senior members so that all the students can get familiar with the new development culture. . IOSD is India's Leading organisation Headed by students and youth and is rapidly expanding with student chapters all over India and the world. We have organised maximum Hackathons in India and continue to grow in experience and numbers.

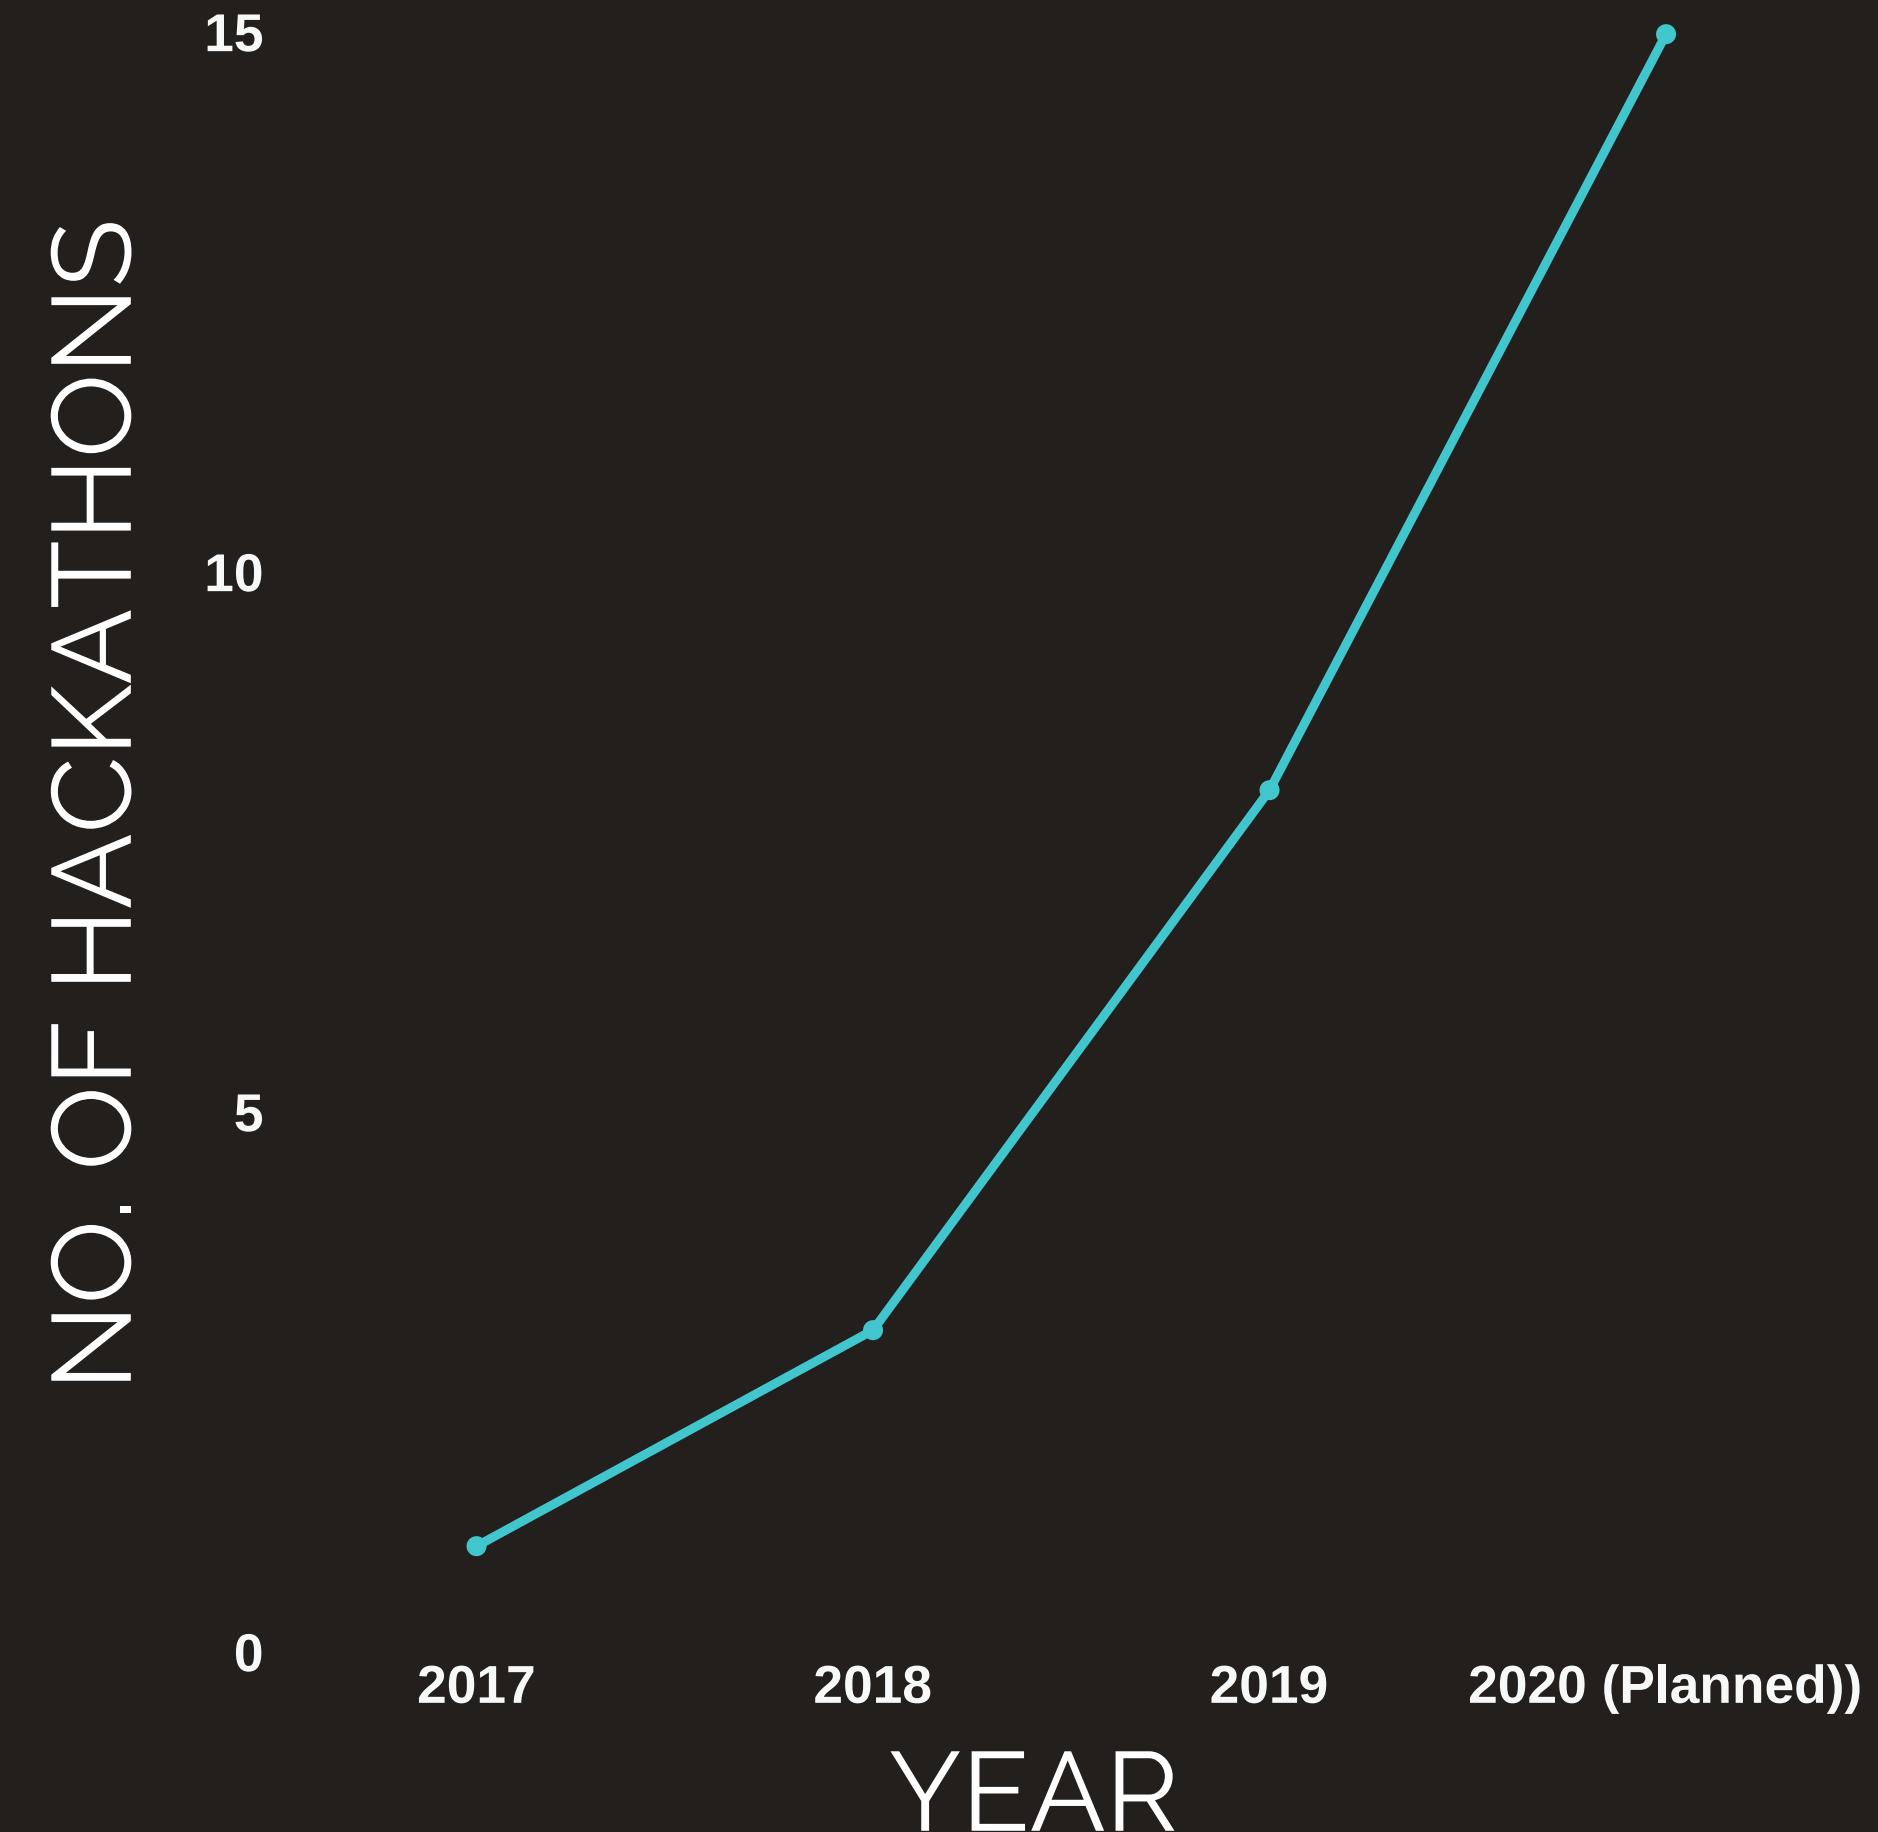

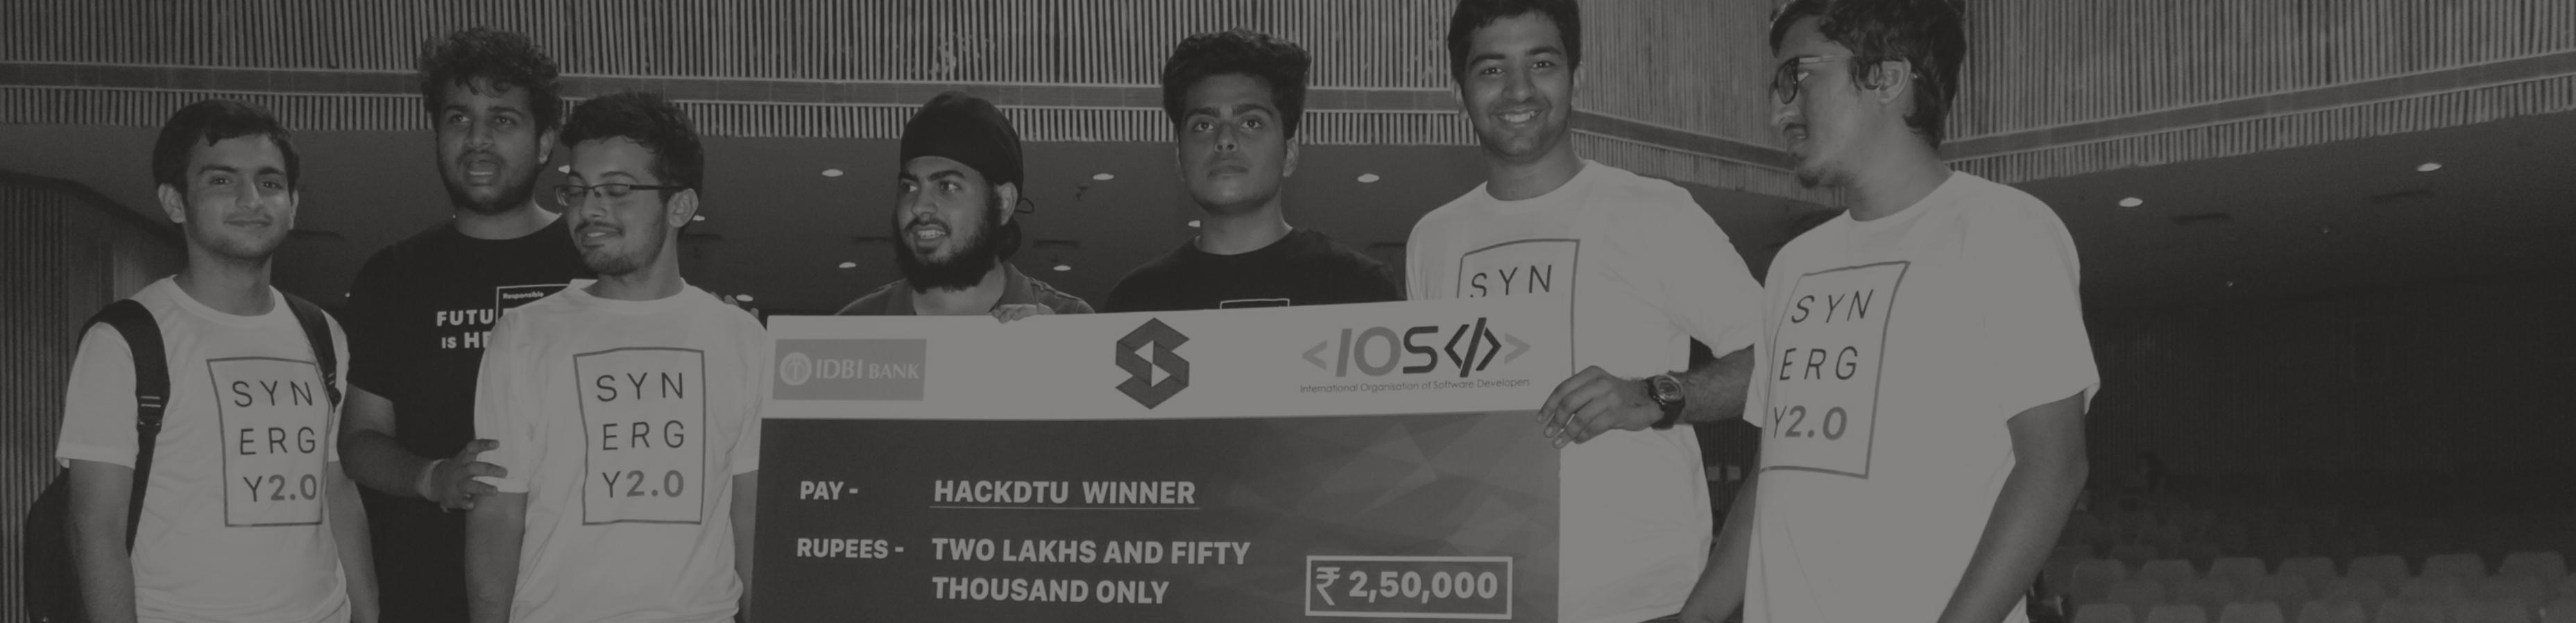

PRIME HACKATHONS

IOSD HACKATHONS OVER THE YEARS

IOSD established in 2016, has expanded rapidly with largest active members base and events with maximum attendance throughout the years.

We are hosts to **India's largest Hackathon Two Years in a row** by beating our own record (HackDTU 1.0 & 2.0).

A COMMUNITY THAT BROUGHT HACKATHON CULTURE TO INDIA

We hosted HackDTU 1.0 in Feb'17 that redefined the way hackathons are treated in India and it is still the epitome for upcoming hacks to look upto.

Culture of collaborative learning uniting the students across the Nation with love for Open Source

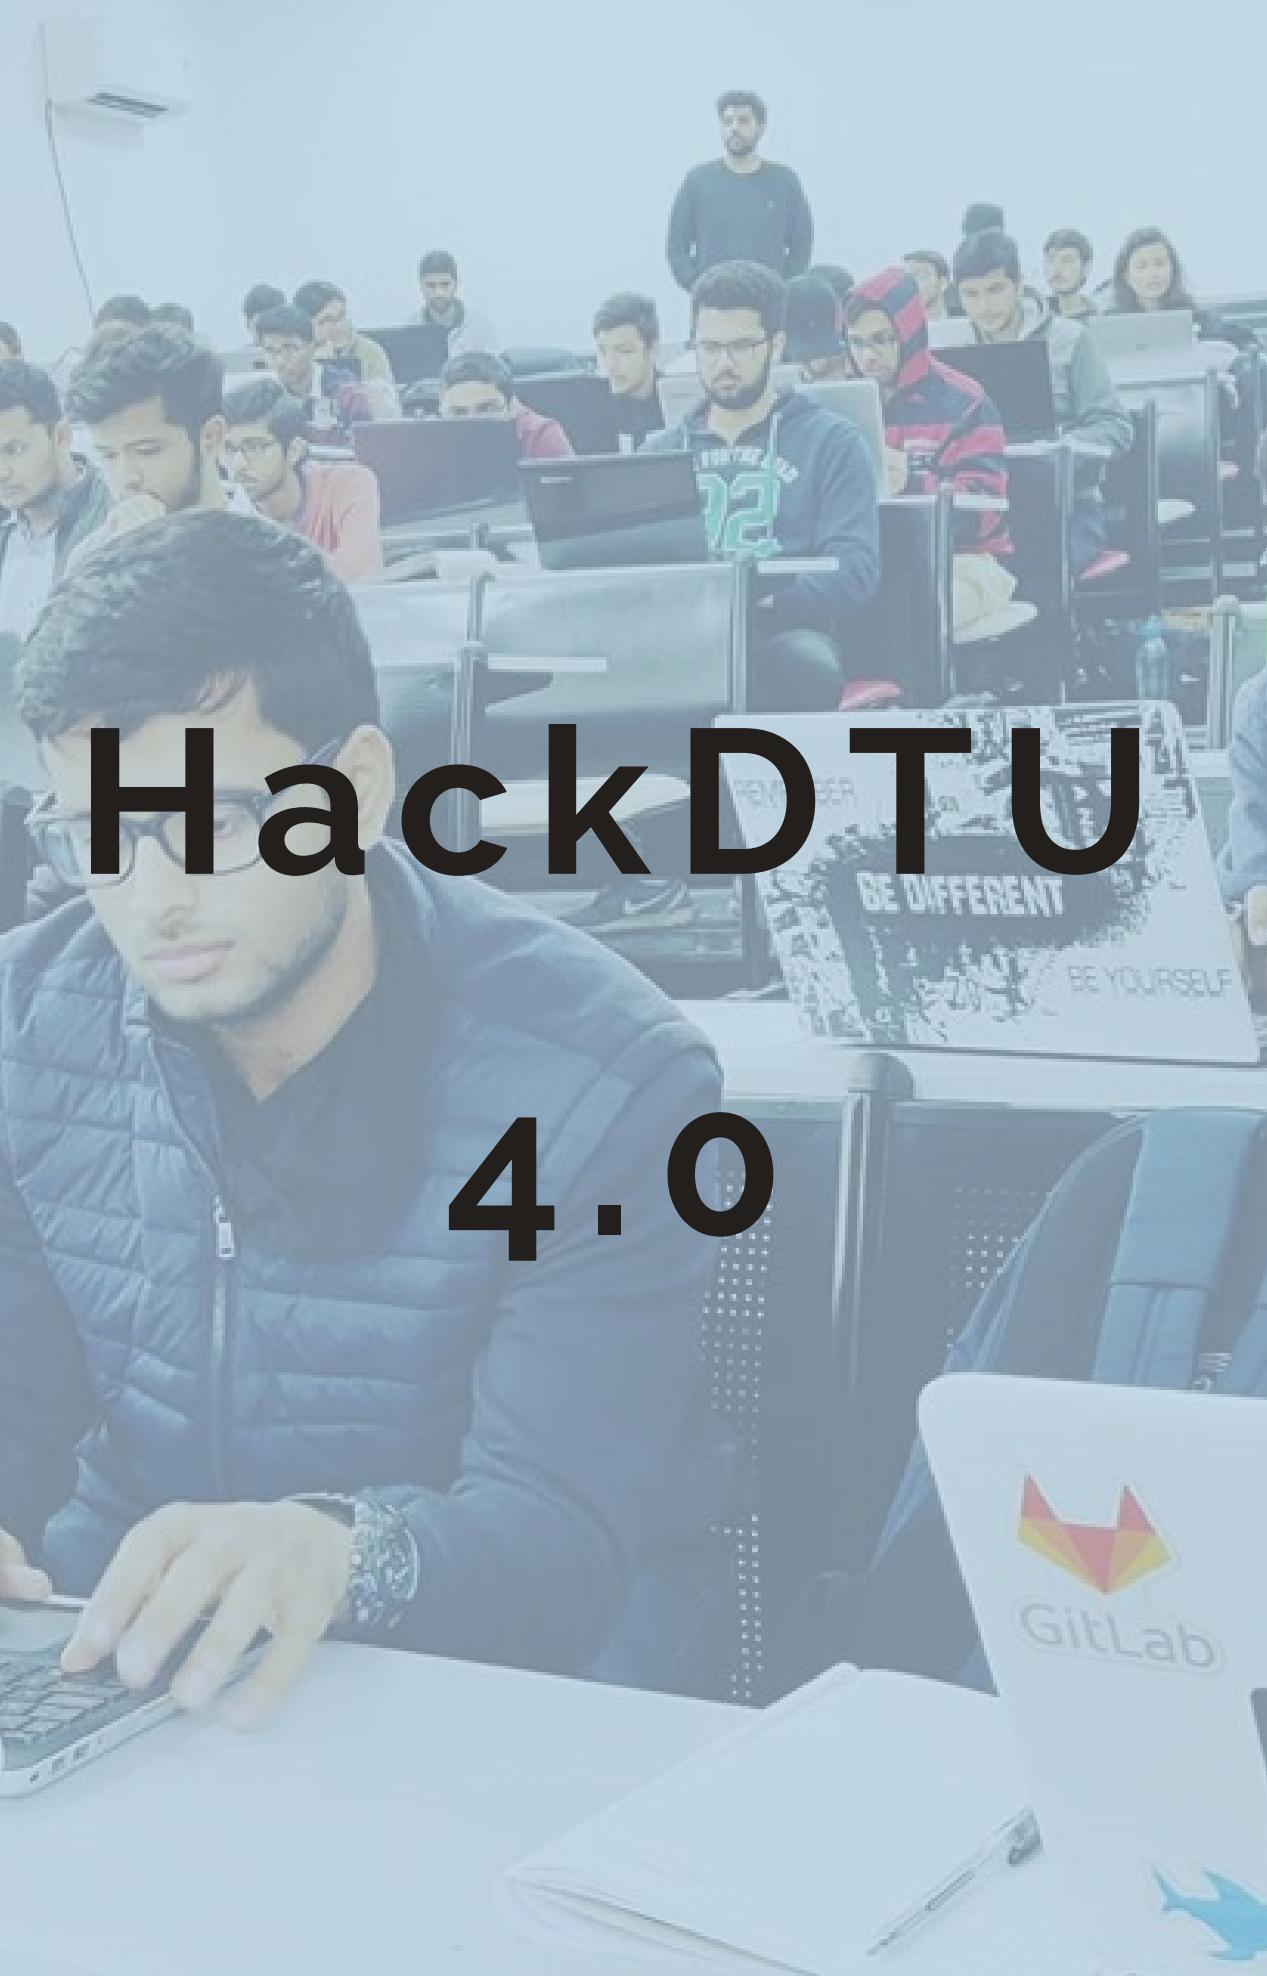

HackDTU 4.0

India's Largest Student Run Hackathon is back this February to bring the best out of North India.

International Organisation of Software Developers

HackDTU 4.0, continuing its legacy, is again set to be **India's Largest Student Run Hackathon** organised at **Delhi Technological University**, where participants will be from all over the subcontinent.

There have been an overwhelming number of applications for the hackathon, out of which some developers will be selected. It will aim to break all records set by other conventional hackathons.

HackDTU was successfully held from February 10-11th 2017 at Delhi Technological University in collaboration with **CISCO**, **Digital Ocean** and many more.

After the great success of **HackDTU 1.0** , we organised **HackDTU 2.0** which also received an outstanding level of participation from developers all across the region.

HackDTU 1.0 and 2.0 were the **Largest Hackathons** of their time.

All 3 editions of the fest achieved similar success and have raised the bar high with years passing by, and now we're here with the epitome of Hackathons, the **HackDtu 4.0**.
